

## Multi-Region Project Selects Critical Response Group, Inc.

On behalf of the six regions participating in the multi-region indoor digital school mapping project, the Metropolitan Emergency Services Board selected [Critical Response Group, Inc.](#) (CRG) as its mapping provider.

Though the contract was executed on November 12, 2025, the project will kick-off in earnest on November 15, 2025 and will include outreach to schools.

The graphic below provides a high-level overview of the project.
